

## **Youth Chorale Pick-up Procedures**

Sharon Road Parking Area @ PUMC: At the conclusion of rehearsals on Monday evenings, please do not line up around the circle until 8:25pm. The area is not large enough for cars that are parked to be able to back out and exit. Also this does not leave room for police or fire vehicles in the case of an emergency. If you arrive earlier than 8:25pm please find another place to park until it is time to line up.

Thank you for your cooperation!
